

LUCAS OIL PRODUCTS, INC. PRODUCT DATA SHEET

WHITE LITHIUM GREASE

Lucas Oil White Lithium Grease is formulated with the highest quality base oils and additives to provide superior lubrication. The clean white appearance avoids staining, and the stay-in-place formula won't drip or run. The product is packaged in 8-ounce squeeze tubes for ease of application. It is also available in 5 Gallon pails.

Lucas Oil White Lithium Grease is a versatile grease with applications in industrial, automotive, and household use including garage door openers, springs, and hinges. It is recommended for use in any plain and antifriction bearings operating under moderate load conditions. It is recommended for use in automotive chassis, trucks, tractors, and contractor equipment. Lucas Oil does not recommend Lucas Oil White Lithium Grease for use in wheel bearings.

PART NUMBER AND SIZE:

30533 - 8 Ounce (Case of 12)

FEATURES AND BENEFITS:

- NLGI #2 grade
- Long lasting stay-in-place lubrication for hundreds of applications.
- Reduces wear and friction.
- Suitable for indoor/outdoor household and industrial use.

MAIN APPLICATIONS:

A general-purpose grease suitable for most applications. Ideal where grease is the desired lubricant, and a clean white appearance is preferred.

LUCAS OIL PRODUCTS, INC. PRODUCT DATA SHEET

TYPICAL PHYSICAL CHARACTERISTICS:

PROPERTIES	ASTM	TYPICAL
Appearance	Visual	Buttery
Color	Visual	White
Thickener Type		Simple Lithium
Worked Penetration (60 Strokes), dmm	D217	265-295
Dropping Point, °F	D2265	345
Base Oil Viscosity	D445	
@ 40°C, cSt		230
@ 100°C, cSt		15

These characteristics are typical of current production. However, slight variations in these characteristics may occur.
